Date: February 23, 2012

Dear Sir,

At the outset we are thankful to you for accepting our invitation to participate in the conference, conduct a technical workshop under Continuing Education (CE), chairing a technical session and deliver a talk in the technical session during "Hyderabad 2012" held at HICC Hyderabad from 16-18 Feb 2012. The 9th Biennial International Conference and Exposition on Petroleum Geophysics "Hyderabad - 2012" was a grand success with your kind co-operation, support and active participation.

Though the organizers of SPG, India worked hard to make the event successful but, you would appreciate that organizers can not do alone unless the support (intellectual inputs) from expertise like you is not available. In that respect, SPG has no hesitation to mention that your support, co-operation and advice was tremendous. I believe that you will continue to render the same support during the future conference and beyond also.

As Chairman of the Conference Committee of "Hyderabad 2012" and President of SPG, I thank you and your company for all the support rendered to SPG during 'Hyderabad 2012'.

SPG, India shall look forward to see you in future also.

With Warm Regards,

Yours Sincerely,

(Apurba Saha)
President, SPG, India
