

## Certification

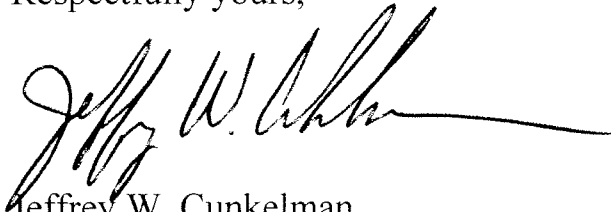

To whom it may concern:

June 1, 2008

**Regarding:** Electrical Methods for Hydrocarbon Applications Course

This is to state that Dr. Kurt Strack and Dr. Svein Ellingsrud of KMS Technologies have successfully taught the technical course of “Electrical Methods for Hydrocarbon Applications” to managers and engineers of ION Geophysical during February of 2008.

Respectfully yours,

Jeffrey W. Cunkelman  
Marine Imaging Systems Division  
Director of Marketing  
ION Geophysical
